

SELHURST SPORTS ARENA

Our vision for the Selhurst Sports Arena project involves the demolition of the old community training room and changing rooms and replacing them with a new multi room learning and leisure facility with changing rooms.

PROJECT OVERVIEW

- The project will also remove the old 3G Pitch, facilities and floodlights and replace them with a new 3G Pitch, facilities and floodlights.
- The project will start on site on the 5 December 2022 and will be completed by the 26 May 2023.
- There will be a construction workforce and project management work team on site throughout the contract. Lanview are local contractors with national experience working on similar and larger projects. They will be supported by various sub-contractors who have all been appointed.
- There will be an independent team monitoring health and safety on site and regular public meetings on progress will be put in place.
- There will be no change in the management and ownership of the site which will remain managed by Communities First and Selhurst Sports Arena with Croydon Council remaining as the owners of the site.
- We will update the plans and progress on www.selhurstsportsarena.org on the 'Latest News' page, including full details of who you can contact during the project.
- For further information contact the Director of Operations at; info@selhurstsportsarena.org
- The first public drop-in meeting will be on Tuesday 6 December from 7-9pm at **Selhurst Club Station Approach Dagnall Park London SE25 6NS**
