5th January 2021

Dear Friends

I would like to be writing to wish you a Happy New Year and best wishes for 2021. Whilst the latter remains the hope and expectation, the latest developments and Government announcement dictates that it is not a happy start to the year. Here are the latest Guidelines:

At Selhurst Sports Arena, we are proud at the extra measures we have taken to keep you safe, but we remain committed to working with the Government, keeping you safe and valuing your custom.

So, while we regret having to close our venue until further notice in line with the latest announcements, we will as previously commit to honouring all outstanding bookings.

Cases are rising, deaths are now in well in excess of 60,000 but the vaccine is now available and like the Government, we expect better news of a return to activities sooner rather than later.

As soon as we are able to announce a return date, you will of course be the first to know.

Conclusion

We remain CLOSED until further notice. However, please do contact me by email and I will respond to your enquires/updates as soon as I can. Finally, please stay alert, keep safe and continue to play your bit to help save lives.

Yours sincerely

Ewemade Orobator
Director of Operations
